

Dip Kishor Regmi

Madhyapur Thimi-3, Bhaktapur, Nepal

Gmail: dipkishor9910@gmail.com

Phone: 9761781000

Objective

Motivated and dedicated IT graduate with more than 2 years of professional experience in Software Development.

Experience

.NET Developer / Full Stack Developer

Riddhasoft Pvt. Ltd. | OCT 2023 – Present

- Developed scalable backend systems using ASP.NET Core (MVC & Web API)
- Built and integrated biometric attendance systems (Hikvision & ZKTeco devices)
- Designed APIs for real-time data synchronization between devices and applications
- Developed HRMS modules including attendance, leave, and payroll processing
- Optimized SQL queries and handled large-scale attendance and payroll data
- Contributed to frontend development using Next.js, building responsive UI and consuming REST APIs

Projects

ADMS (Attendance Device Management System)

- Integrated Hikvision & ZKTeco devices for real-time attendance sync
- Built APIs to process and store device logs
- Managed device-user synchronization

HRMS (Hamro Hajiri)

- Developed attendance, leave & payroll modules
- Integrated biometric data into HR workflows
- Implemented salary, TDS, SSF calculation & reporting

Hotel Management System (HMS)

- Led backend development for POS, booking, billing, and reporting
- Designed scalable APIs and optimized database queries
